

Pennington Research Association, Inc.

Policies and Procedures

Mission and purpose of the Pennington Research Association, Inc. (PRA):

The purpose of the Pennington Research Association is to gather all Pennington cousins together, to provide as much genealogical assistance as possible and to work together to further Pennington research. Our goal is to collect, preserve, maintain, and disseminate material relating to the genealogical structure of the Pennington Family.

The Pennington Research Association, Inc. is a not for profit corporation, incorporated in California in June, 2001. The Pennington Research Association membership elects the Board of Directors. The Board of Directors elects a Chairman. The Board of Directors creates the mission statement, policies and procedures and oversees the business of the Pennington Research Association. The Board of Directors appoints the officers of the Corporation.

Membership is offered to any person, regardless of ethnic, social, religious, or sex basis.

Privacy Policy

It is the policy of the PRA to protect the privacy of our living relatives. We strongly encourage all involved to do their best not to publish

information about anyone living unless permission has been given by that person to do so.

The PRA does not publish for public use any personal genealogical data that is less than 70 years old at the time of publication.

Permanent Fixed Assets List

A physical inventory should be made annually to prove the accuracy of the list. Also, video records of contents should be kept to facilitate insurance claims should that become necessary. Having limited equipment, a written list kept by the Board will meet this requirement.

Board of Directors Approval for New Acquisitions

Board approval for the acquisition and disposal of any property or equipment is required.
